

## HER WEDDING DAY MAY MEAN DEATH

Pretty Girl of Nineteen Who Goes Walking with Her Sweet-heart and a Male Companion Is Picked Up Dying.

At Fordham Hospital Rosa Godz, a pretty Hungarian girl of nineteen years, who had expected to begin her honeymoon to-day, is dying of a fractured skull.

Andrew Borie, the man she was to have married, is held a prisoner on "suspicion." If the girl dies, as the surgeons in attendance expect she will, the charge against him will be made more serious. John Tobaczar, who was to have been the best man at the wedding, is also in custody.

Rosa Godz was employed as a nurse in Yonkers, at No. 71 Clinton street. She went there a month ago from Fallsburg, in Yonkers, she met Tobaczar, who lives at No. 18 Clinton street, and through him met Borie. Borie is twenty-six years of age, and lives at No. 719 Suburban street, Bedford Park.

### Girl Found Unconscious.

Rosa left her employers and said she was going to be married, and that she would send for her things later. She met Borie and Tobaczar, and went with them to the reservoir in Jerome Park.

John Hoyce, who is employed at the reservoir, saw the trio on top of the reservoir wall. When he passed that way an hour later he discovered the woman lying at the foot of the wall, thirty feet below. The two men had disappeared.

Hoyce summoned help, and notified the police. He described the two men, and Borie was shortly after found pretending to be asleep in a tool house near the reservoir. He was arrested, and at first denied having been with the girl. At the Kingsbridge station he was put through the third degree. As a result he admitted having been in the girl's company, and said that she had fallen from the wall. He also told the police that Tobaczar was on his way back to Yonkers.

### New Tell Conflicting Stories.

Detectives went to the Kingsbridge railroad station and caught Tobaczar just as he was boarding a train for Yonkers.

At the Kingsbridge police station the men told conflicting stories, each saying the other was with the girl when she fell. Borie finally admitted that he had known the girl for some time and that they were to have been married.

Rosa Godz had landed on the rocks at the bottom of the wall and had received a fractured skull and other injuries. She was unconscious when picked up and up to the present time has not sufficiently recovered to give her story of the affair.

The police are at a loss to account for the crime, if the girl was thrown from the top of the wall, as they cannot find a motive for the act.

Both Borie and Tobaczar are badly frightened, and each changes his story with every new question.

## FIREMAN FINDS \$20,000 GEMS

Railroad Employee Picks Up Satchel, Which Owner Left on Seat in Grand Central Station Waiting-Room.

While half a dozen detectives were searching the pawnshops of Greater New York for some trace of the \$20,000 worth of jewels left in the waiting-room of the Grand Central Station on Friday afternoon last by Mrs. E. Palmer Gavit, daughter of Anthony N. Brady, the Wall Street magnate, Mrs. Brady received a telephone message from a trust company in New Haven saying that the jewels were safe.

According to an officer of this trust company a fireman employed by the New York, New Haven & Hartford Railroad while passing through the waiting-room noticed the handbag, picked it up and got aboard a New Haven train before examining the contents. When he reached New Haven he immediately turned the gems over to the trust company.

Mrs. Gavit, accompanied by her father and husband, was on her way to her home in Albany when she lost the handbag. She left it on a seat in the waiting-room and did not miss the satchel until the train was drawing into Poughkeepsie three hours later.

She telegraphed to the station-master at New York and a thorough search was made of the waiting-room, but no trace of the handbag was found. Mr. Brady sent the following description of the jewels to Inspector McCloskey to-day, placing their value at \$20,000.

One diamond necklace, with diamond pendant, containing altogether one hundred and twenty-five stones.

One large pink sapphire of forty carats weight, surrounded by twelve diamonds.

One gold bracelet set with rubies and diamonds.

One brooch containing five large and three small diamonds.

One garnet brooch set with diamonds.

One lady's ring set with three large diamonds.

One ring containing a ruby and two diamonds.

One jewel box.

### Cured of Asthma

After 35 years of Suffering.

It will be gratifying to Asthmatic readers to learn that an absolute cure has at last been discovered by Dr. Schiffmann. That the remedy is an effective one cannot be doubted after perusal of such testimony as that of C. W. Van Antwerp, Fulton, N. Y., who says: "Your remedy (Schiffmann's Asthma Cure) is the best I ever used. I bought a package of your drug and tried it and one box entirely cured me of asthma, and I have not had it since. I can now go to bed and sleep all night with perfect comfort, which I have not done before for 35 years and I thank you for the health that I now enjoy. I hope that you will publish this letter, that others may learn of its wonderful virtues."

Sold by all druggists at 50c and \$1.00. Send stamp to Dr. R. Schiffmann, Box 991, St. Paul, Minn., for a free sample package.

## 500,000 WOMEN HAVE BEEN RESTORED TO HEALTH BY LYDIA E. PINKHAM'S VEGETABLE COMPOUND

Their letters are on file in Mrs. Pinkham's office, and prove this statement to be a fact, not a mere boast. Women must take into consideration this great and unequalled record.

Overshadowing, indeed, is the success of Mrs. Pinkham's medicine. Compared with it all other medicines for women are experiments.

Why has Lydia E. Pinkham's Vegetable Compound accomplished its widespread results for good?

Why has it lived and thrived and done its glorious work for a quarter of a century?

Simply and surely because of its sterling worth. The reason no other medicine has even approached its success is plainly and positively because there is no other medicine so good for woman's ills.

## REMEMBER

These important facts when you ask for a bottle of Lydia E. Pinkham's Vegetable Compound at your druggist's: If the clerk asks you to take "something else," telling you that it is "just as good" or "much better"—to be better, it must have cured more than 500,000 women; to be as good, it must have cured as many as 500,000 women—let him produce his proof! Such a thing is impossible. The medicine he offers you is only an experiment. All he knows about it is that he can make a little more profit on it than he can on what you want.

Don't let druggists experiment on you. Demand the medicine that you know is all right, that has no equal, that backs all its statements with positive proof. When you know that no other medicine in the world exclusively for women has received such unqualified endorsement, is it wise to let a dealer persuade you to buy something else which he says is "just as good," and all you have in proof is his say-so?

Wise is the woman who insists upon having

## DREAD OF HUMANITY

I am compelled by a sense of gratitude to tell you the great good your remedy has done me in a case of Contagious Blood Poison. Among other symptoms I was severely afflicted with Rheumatism, and got almost past going. The disease got a firm hold upon my system; my blood was thoroughly poisoned with the virus. I lost in weight, was run down, had sore throat, eruptions, spots, and other evidences of the disease. I was truly in a bad shape when I began the use of S. S. S., but the persistent use of it brought me out of my trouble safe and sound, and I have the courage to publicly testify to the virtues of your great blood remedy, S. S. S., and to recommend it to all blood-poison sufferers, sincerely believing if it is taken according to directions, and given a fair trial it will thoroughly eliminate every particle of the virus. JAMES CURRAN, Stark Hotel, Greensburg, Pa.

Painful swellings in the groins, red eruptions upon the skin, sores in the mouth and loss of hair and eyebrows, are some of the symptoms of this vile disease. S. S. S. is an antidote for the awful virus that attacks and destroys even the bones. S. S. S. contains no Mercury, Potash or other mineral ingredient. We offer \$1.00 for proof that it is not absolutely vegetable. Home treatment book giving symptoms and other interesting and valuable information about this disease mailed free. Our physicians advise free those who write us.
